Elective(s)		9
Remaining Unrestricted Electives		6-9
<b>Total Credits</b>		<b>61-67</b>

## Electives

It is recommended students select up to 9 credits of Unrestricted Electives in a single discipline/subject based upon your field of interest in geography. These courses can be used to complete 50% of the minor requirement for all CCSU Geography degrees or can be used to begin a minor or second major at SCSU. Some suggested disciplines include ANTH, EARTH, ECO, ENVS, GEOG, GEOL, HIST, MATH, POLS, CSA, CSC, CST. Central Connecticut State University will require that you complete a minor by earning at least 18 credits in one area outside your major field you must complete at least 9 of those minor credits at Central. CCSU allows you to major and minor in Geography as long as your minor is in a different specialization from the major.

For students planning on attending ECSU or WCSU, choose any 9 credits of unrestricted electives.

Students are encouraged to meet with Guided Pathways Advisor to determine which courses to select.

## Remaining Unrestricted Electives

Students are free to choose any courses at or above 1000-level to complete unrestricted electives, although they may need to use these credits to take courses that prepare for required courses in the degree program. They should also consider using unrestricted electives to meet foreign language requirements at Central, Eastern and Western Connecticut State Universities. They can also complete other General Education requirements for CCSU, but not ECSU. Students are encouraged to meet with their Guided Pathways Advisor to determine which courses to select.

**Total Credits: 60-67**
