

PRE-NUTRITION TRANSFER DEGREE, AS

Program code: LASC-AS-NTR

Location: Gateway, Housatonic

Program Description

This program is designed for students who seek to become a Registered Dietitian/Nutritionist. Upon completion of the associate pre-nutrition degree, students have the opportunity to apply for transfer to a 4-year university to complete the degree for Registered Dietitian/Nutritionist.

Learning Outcomes

1. Demonstrate ability to think critically and creatively.
2. Demonstrate ability to effectively communicate in oral and written form.
3. Demonstrate ability to understand basic scientific principles.
4. Demonstrate ability to understand, evaluate and apply nutrition principles.

This program directly articulates with the University of Maine.

Students intending to transfer are advised to inquire whether your intended college or university will accept hybrid or online science labs for transfer.
