

SCHOOLS OF STUDY

CT State's curriculum offers an array of over 300 credit based and workforce options designed to meet the needs of our students. These programs are offered across four interdisciplinary schools of study. Our programs prepare students interested in transferring to a four-year institution or training and upskilling for careers that meet the evolving labor market demands of Connecticut. Learn more about our school areas of focus below.

- Business and Professional Studies
- Liberal Arts and Education
- Nursing, Allied Health and Human Services
- Science, Technology, Engineering and Math (STEM)
