BMKT 2195 Retail Field Experience I (3 Credits)

Provides the opportunity for students to gain practical and professional experience in fashion or retail companies. Students will apply their theoretical concepts previously learned in class to real world experiences. Job sites can be on-site local or in other areas including New York City as well as e-commerce companies. Students will be required to spend at least 6 hours a week for a minimum of 90 hours at their work site (paid or unpaid) with times arranged by the students and employers. Students will also participate in weekly discussions in an online class format with their instructor and classmates.

Prerequisites: GPA 2.5 or above and instructor's permission

BMKT 2295 Field Experience II (3 Credits)

This course provides another opportunity for a new learning experience for students to gain practical and professional experience in fashion or retail companies. This experience can be with a new company or the same field work site as BMKT 2195 but with different job responsibilities. Students will enrich the theoretical concepts previously learned in the classroom to real-world experiences. Students will be required to spend at least 6 hours a week for a minimum of 90 hours at their work site (paid or unpaid) with times arranged by the student and employers. Students will also participate in weekly discussions in an online class format with their instructor and classmates.

Prerequisites: BMKT 2195, overall GPA of 2.5 or higher, or instructor's permission

Previous: Legacy Equivalent(s): BMK*296

BMKT 2350 Public Relations (3 Credits)

A study of the principles and practices of modern public relations as they apply to profit-making and not-for-profit organizations. Students study a practical approach to the methods of establishing and maintaining positive relationships between an organization and its stakeholders. These stakeholders or publics include customers, employees, competitors, investors, vendors, government agencies, and society in general. Topics include special events planning, media relations planning and effective communications. Ethical and social responsibility and negative publicity are also discussed. Case studies are used to illustrate creative solutions to public relations problems. Students demonstrate their learning by developing a public relations campaign.

Prerequisites: ENG 1010 with a grade of C- or higher
