

COLLEGE AND CAREER SUCCESS (CCS)

CCS 1001 College and Career Success (3 Credits)

This course prepares students for success in college and beyond. Students will develop self-awareness and an understanding of how to navigate college, value diversity, develop skills and strategies for success, and explore career options. Essential academic skills including information literacy, critical thinking, and effective communication will be addressed. By the end of this course, students will create a personalized academic and career success plan.

Prerequisites: Must be eligible to take intensive/developmental-level English class (ENG 0960 , or ENG 0930) or higher. ESOL 1302 or higher or recommendation of ESOL coordinator.

Previous: Legacy Equivalent(s): CCS* 101, IDS* 105, IS 103, CSS* 101

CCS 1001H College and Career Success-Honors (3 Credits)

This course prepares students for success in college and beyond. Students will develop self-awareness and an understanding of how to navigate college, value diversity, develop skills and strategies for success, and explore career options. Essential academic skills include information literacy, critical thinking, and effective communication will be addressed. By the end of this course, students will create an in-depth, personalized academic and career success plan and a major project that includes an oral presentation.
